

# Newgate Care

Total care for your car in one Simple Package

## What's most important to you when choosing a car?

If the answer includes reliability, comfort, safety or value, then isn't it important to ensure that your van retains those features after you've driven out of the dealership?

Newgate Care brings all of these benefits together in one fixed cost maintenance package.

Pay for your servicing in advance and save up to 27% compared to the normal retail price.

## Features and Benefits of Newgate Care

Not all van owners are aware of the implications of getting their van serviced outside of an Authorised Mercedes Benz Service Provider. The implications can often be costly, both in monetary terms and also in the safety and proper running of your van. More information is outlined below.

**Ensure Safer Driving;** Proper maintenance by Mercedes Benz Qualified Technicians, using the most up to date diagnostic equipment will improve your vans reliability and lifespan, bringing you safer driving AND peace of mind.

**Save Money;** Overleaf you will find the normal costs of servicing your Mercedes Benz over 3 years. You will also see the Newgate Care price which offers you savings of up to €466. Newgate Care could allow you to avail of a 3 year service for the price of 2 years.

We guarantee that only Mercedes Benz Approved parts, and recommended oils, will be used when servicing your van.

**Fixed Cost Maintenance;** Newgate Care protects you against any future price or indeed VAT increases. As payment is made up front, you can also account for all of your servicing needs in advance.

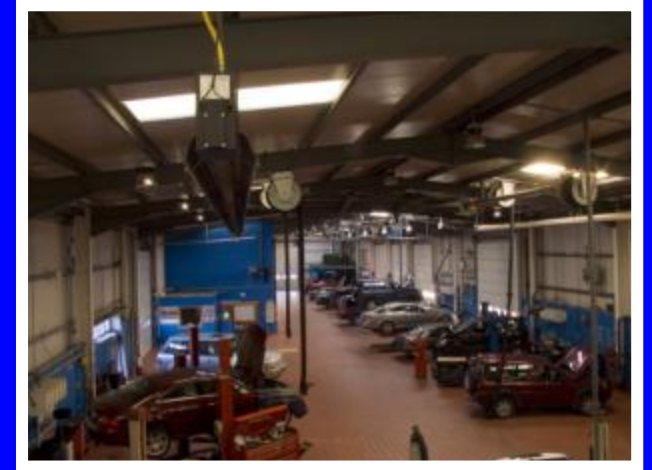

**Protect your Warranty;** Your vehicle's warranty may be void in the absence of a proper service history. The same can be said in cases where parts approved by Mercedes Benz are not used.

(Features and Benefits continued...)

**Increase Resale Value;** A record of proper maintenance by an Authorised Mercedes Benz Service Provider will benefit the resale value of your van.

**Fully Transferable;** Should you sell or trade in your van to Newgate Motor Company before the end of the Newgate Care term, the remaining benefit is fully transferable to your new van.

If it's the case that you sell or trade in your van elsewhere before the end of the Newgate Care term, the remaining benefit will stay with the van, e.g. if you take the 3 year option and sell or trade in your van (other than at Newgate Motor Company) after say 2 years, the new owner can avail of the package until the end of the term.

**Be a Friend to our Environment;** Regular proper maintenance of your van ensures better fuel consumption, which in turn is kinder to our environment and your wallet.

**Mercedes Benz Mobilo Breakdown Cover;** You can enjoy the benefits of free Mercedes Benz Mobilo cover.

Just some of the benefits include; Roadside Repair, Replacement Vehicle and Recovery Service.
